

Respect Your Brain... Protect Your Brain

Play Safely, Drive Defensively, Choose Wisely

THE BOOT!
If you get "The Boot" for being unsafe, you get to spend your next turn in this space. You can play again after you promise to be more careful in the future!

START HERE

FINISH!

STOP

Did you know Motor vehicle accidents are the leading cause of death and brain injury in children aged 5 - 14. So **DRIVE SAFE!**

School zone! Slow down, and move back one space.

Construction detour. Go back 2 spaces.

Slow down for the crosswalk, and miss a turn.

Gravel road! Slow down and miss a turn.

You just sped through an uncontrolled intersection. To the **BOOT!**

Take a short cut!

No seatbelt? You get the **BOOT!**

Hop in the car. Let's roll!

Look left-right - left before crossing the street.

Wear reflective clothing after dark! Go back one space.

Proceed on foot.

Brain injury is the number one cause of death from snowmobiling injuries.

Did you bring a first aid/emergency kit? Go back 2 spaces.

Ice should be at least five inches thick. You didn't check! Go back one space.

Green light! Go forward one space.

Climb aboard the snow mobile!

No helmet and no winter clothing? So long, frosty! You get the **BOOT!**

Short cut!

Stay on the trail, and stay clear of fences!

Did you know Near-drowning can cause permanent brain injury.

Whoa, captain! No lifejacket? You get the **BOOT!**

You dove in without checking the depth!

Go back 2 spaces.

Head for the lake!

Heavy traffic! Move back one space, then walk your bike across next time.

DID YOU KNOW Wearing a bicycle helmet can reduce your risk of brain and head injury by 85%.

You forgot your helmet? You get the **BOOT!**

Take a shortcut through the playground.

Hold it! You have to take your helmet off to play on the playground. You get the **BOOT!**

You didn't signal! Go back 2 spaces.

Skaters and bladders have to wear helmets too. Go back one space.

Hop on your bike!

Check your brakes and tires before heading out. Go again!

Left turn... Don't forget to signal!

Fold and tear along the dotted lines. Then mix the numbers up in a cup and take turns drawing them out!

This project made possible through the funding of 501c3 Community Initiatives Grant and CANADAC
